CAFFE E TEA

Coffee by Rom Caffè3.5

EBT, Earl Grey, Chamomile, Peppermint, green Tea.....4

Amari

Amaro (Italian for “bitter”) is an Italian herbal spirit that is commonly drunk as an after-dinner digestive. It usually has a bitter-sweet flavour and is typically produced by macerating herbs, roots, flowers, bark, and/or citrus peels in alcohol, either neutral spirits or wine, mixing the filtrate with sugar syrup, and allowing the mixture to age in casks or bottles
